FCC Chair starts process to restore
Title II authority over ISPs

A solid orange horizontal bar at the bottom of the slide.

“I believe it is essential that we sustain [the Internet’s] foundation of openness. And that's why since I have served at the FCC, I have always supported net neutrality,”

Jessica Rosenworcel

Chairman of the Federal Communications Commission of the United States

“Common sense tells us that the nation's leading communications watchdog should have the muscle it needs to protect consumers and make sure their Internet access is fast, open and fair.”

Jessica Rosenworcel

Chairman of the Federal Communications Commission of the United States
